

## Driving license C

### Target group and admission requirements

With a Truck C driving license, you may drive a motor vehicle whose authorized maximum mass (see Part 1A vehicle license or registration certificate Part I) exceeds 3500 kg.

Caution! With a C truck driving license you may not perform professional transport. For that you need to get a C-driving license with [code 95](#).

Which driving license applies to you can be found at the [Central Bureau of Driving Licenses the CBR](#)

This course is a hands-on training course taught by highly experienced driving instructors who convey the intricacies of this fine craft to candidates in a very knowledgeable and enthusiastic manner.

### Driving license C without code 95

Before you can apply for a Truck C driver's license, you must meet the following conditions, among others.

#### Minimum age

To apply for the C driver's license, you must be at least 18 years old.

You must hold a valid B driver's license. **Health Statement**

Before you can book your practical exam, you must be medically approved. To do this, you must submit a [Health Declaration](#) and be examined by a company doctor or certified occupational health and safety service. If you are medically approved, a Declaration of Fitness will be sent to the RDW. This is valid for 1 year.

#### Exams to be passed

You may take the practical exam Truck C as soon as you pass the theory exam RVM1-C.

If you pass the theory and practical exams within two years, a certificate of driving ability is sent to the RDW, it is valid for 3 years.

Depending on your practical exam, you may or may not get an automatic code on your license.

### Driving license C with code 95

Exam Truck Driving License - theory module 1, (RVM1-C)  
Exam Truck Driving License - theory module 2, (VM2-C) Exam  
Truck Driving License - theory module 3, (VM3-C)

Competence C Practical test (VPTC) Competence C Confined terrain test (VPBC)

Exam Truck C practical (C)

The theory exams, the practical C test, the confined terrain C test and the practical C exam may be taken at random after passing the RVM1- C theory exam.

The practical test C is administered by a WRM certified trainer. The confined terrain C test is administered by a WRM certified trainer.

If you pass all theory exams, the tests and the practical exam within two years, a Declaration of Driving Ability and a Declaration of Professional Competence will be sent to the RDW. The Declaration of Driving Ability is valid for 3 years.

Depending on the vehicle you take your practical exam with, you may or may not receive an automatic code on your driver's license. If you take the exam on a vehicle with (semi) automatic transmission, you will receive the automatic code. If you take the exam on a vehicle with full manual transmission, you will not receive the automatic code.

### Global curriculum

We offer you the opportunity to do an intake of 2 x 60 minutes prior to the driving course. Based on the findings of the driving instructor a realistic estimate is made for the number of practical lessons the candidate needs to be ready for the practical exam.

### Theory lessons

Theory classes can be taken using E-learning modules, classroom or a mix of both. the choice of method depends on the candidate's preference.

### Practical lessons

Our practical lessons are taught with modern large lesson trucks 1 lesson hour = 60 minutes

Lessons driving license C= Box truck

### Exam

To participate in the practical exam, students must have a valid theory exam RVM1- C.

To participate in the practical exam, students must have a medical certificate of fitness, issued by the CBR!

[The practical exam](#) lasts 85 minutes and consists of several assignments:

The exam begins with preparation and inspection of the vehicle and papers, driving inside and outside built-up areas and on various road types. During the exam, you must demonstrate control of the vehicle in all facets under a variety of conditions.

Special operations, such as reversing a turn and turning by stabbing. navigation assignment. Without direction from the examiner, you will drive your own route for part of the exam. The examiner will determine where you drive.

### Period of validity of driver's license

The period of validity of the C is five (5) years.
