

## Transport Supervisor 2.0 SVNL Target

### group and entry requirements.

This training is designed for persons, who wish to practice the profession of transportation supervisor.

This course is a hands-on training course taught by highly experienced supervisors who convey the intricacies of this fine craft to the candidates in a very knowledgeable and enthusiastic manner  
In this training, much attention is paid to safety , traffic and communication. The candidate

transport supervisor must not be a novice driver.

This means that the transport supervisor must have [a valid B driver's license for at least five years](#).

The candidate must be in possession of a [Certificate of Good Conduct](#) not older than 6 months. This entire training is in accordance with [the Traffic Controllers Regulation 2009](#).

The employer shall ensure that workers are provided with effective instruction on working conditions appropriate to their various tasks.

### Global curriculum

During this 5-day course, theory is covered in detail and there is a lot of practice.

It also operates a 2 escort vehicles and a special transport vehicle with a load at least 410 cm wide.

During the theory section, topics covered include:

- The history of transportation guidance
- Waivers
- Road/infrastructure and traffic
- Traffic rules and road signs
- Preparing and supervising a ride

practical instruction includes:

- Coordinate communication between driver and attendant
- Route preparation and control of waivers.
- Securing other traffic during exceptional transportation
- Application of laws and regulations
- Supervise width transports on licensed routes

### Maximum number of participants

For this training is possible with a maximum of 3 participants.

### Resources

Two escort vehicles and one special transport vehicle with a load at least 410 cm wide. V-TAS has all the necessary vehicles and materials for the training.

## Exam

The theory exam for transport supervisors can also be taken after the practical exam.

[The theory exam from the CBR](#) is conducted at one of the locations of the CBR.

The theory exam lasts 40 minutes and consists of 30 questions.

You pass if you answered 21 or more questions correctly.

The practical exam is administered by both the trainer and a police delegate. If the result is satisfactory, the trainee will receive a sealed certificate.

With that, he/she should apply for an appointment card for transportation supervisor.

These passes can be requested from [www.aanstellingspas.nl](http://www.aanstellingspas.nl).

The application for the pass must be made within 6 months of the issuance of the certificate.

## Validity period of the certificate

The validity period of appointment card of SVNL is five (5) years.

The appointment of transport escorts and traffic controllers with traffic control duties as part of their profession may be [renewed for a period of five years](#) at a time, provided that:

transport escorts are in possession of a valid category B driving license and can plausibly show that they have frequently acted as transport escorts in the past year;

The application for renewal shall be submitted no later than six months after the expiration of the validity of the previously issued appointment.
